BETH BROWN MEMORIAL SCHOLARSHIP

December 2016

Dear Friends,

Will you commit to help this year? The Beth Brown Memorial Scholarship Foundation has supported Champaign County Ohio high school graduates for over a half century! Today there is a desperate need of your financial gift if the foundation is to continue to support these students pursuing careers in the field of medicine.

The Beth Brown Memorial Foundation (BBMF) is a non-profit tax exempt 501(c)(3) corporation established in 1964 under the laws of the State of Ohio and the Federal Internal Revenue Code to receive and distribute funds in memory of the daughter of Mr. and Mrs. Clarence J. Brown, Jr. Beth lost her three year battle with leukemia on March 25, 1964, at the age of seven. The scholarship was started with funds from Beth’s parents and grandparents; funds they had hoped to use towards her college education. That year the first scholarship (\$500) was awarded to one student. Last year, May 2016, over 40 students received awards that totaled \$50,000!

Today the money awarded comes from YOUR DONATIONS. For over fifty years, the VOLUNTEER board of the foundation has carefully managed the funds. This commitment to wise stewardship has sustained the foundation. **ALL DONATIONS go directly to student scholarships!**

Join us in the effort to provide financial assistance to these very worthy students. They are the caregivers of the future. Please contribute to the Beth Brown Memorial Scholarship. Any amount is helpful.
